Experience Other Than Teaching:
Credit on the salary schedule for experience other than teaching shall be determined by the Director of Human Resources
Note: *a. +15, +30, +45 refers to semester hours of credit.
**b. The Doctorate Lane is applicable only to an earned Doctorate from a recognized and accredited university
***c. To be placed in the M.A.+60 column, you must earn at least six credit hours after June 1, 1989. To be placed in the M.A.+75/Dr. column, you must earn at least 15 credit hours after July 1, 2000.
****d. The index factors for steps 15-17 apply only to lanes M.A. and beyond, the factor for step 18 applies only to lanes M.A.+30 and beyond, and the factor for step 19 applies only to lanes M.A.+45 and beyond
e. The above schedule does not reflect a one time \$500 bonus that shall be paid to staff members who are not entitled to step movement during the second half of the 2006-2007 school year because their years of credited service puts them at or beyond the last cell of the appropriate column on the schedule.

Experience Other Than Teaching:
Credit on the salary schedule for experience other than teaching shall be determined by the Director of Human Resources

Note: *a. +15, +30, +45 refers to semester hours of credit.
**b. The Doctorate Lane is applicable only to an earned Doctorate from a recognized and accredited university
***c. To be placed in the M.A.+60 column, you must earn at least six credit hours after June 1, 1989. To be placed in the M.A.+75/Dr. column, you must earn at least 15 credit hours after July 1, 2000.
****d. The index factors for steps 15-17 apply only to lanes M.A. and beyond, the factor for step 18 applies only to lanes M.A.+30 and beyond, and the factor for step 19 applies only to lanes M.A.+45 and beyond
e. The above schedule does not reflect a one time \$500 bonus that shall be paid to staff members who are not entitled to step movement during the second half of the 2006-2007 school year because their years of credited service puts them at or beyond the last cell of the appropriate column on the schedule.
